‡ Students must have a prior Bachelor's Degree from an accredited US college or university in order to be admitted into the accelerated degree program. Students who meet this criteria are exempt from the general education requirements at Salem State University.

† To complete this requirement at Salem State a student must take PSY218 and PSY322. A single three credit Development Psychology (Human Growth and Development or Lifespan Psychology) course from another school is acceptable per the Salem State University transfer policy

◊ Listed courses must have been completed as a Prerequisite to admission to the program.

► Most if not all, free elective requirements will be satisfied by using credits from prior Bachelor's Degree. All credits must meet minimum requirements for transferability to Salem State University.

Total credits for graduation: 120

Effective: 5/2016
