\* These are **required** support courses which may also be used to satisfy the indicated Distribution requirements. A student may choose to fulfill Distribution requirements with courses other than the ones listed, but these listed courses must still be taken.

Note: If a course is used to satisfy two or more requirements, (for example, a support course and a distribution elective), the credits are counted in only one place. Using a course to satisfy more than one requirement does **not** reduce the total credits required for graduation.

+ As part of the credit specified for sociology electives, it is required that at least one course be selected from each of the following areas: African-American Studies and Cultural Diversity. Also, at least 6 hours, and no more than 3 hours in any one semester are normally allowed to be chosen from the following three courses: SOC 401, SOC 520, and SOC 530. Consult with the Chairperson.

LEVEL I TO BE COMPLETED IN THE FIRST 30 CREDITS     LEVEL II TO BE COMPLETED IN THE FIRST 53 CREDITS     LEVEL III TO BE COMPLETED BEFORE GRADUATION

Exceptions in the timing of courses will be made for transfer students.
