| NUR | 425 | Prof. Role Concepts and <br> Competencies | 3 |  |

$\checkmark$ Required Support Courses ( 29 credits total)

| BIO | 105 | Biological Systems | 4 |  |
| :--- | :--- | :--- | :--- | :--- |
| BIO | 200 | Anatomy \& Physiology I | 4 |  |
| BIO | 201 | Anatomy \& Physiology II | 4 |  |
| BIO | 304 | Microbiology and its Applications | 4 |  |
| CHE | 117 | General Organic \& Biological <br> Chemistry | 4 |  |
| MAT | 147 | Statistics I | 3 |  |
| PSY | 101 | General Psychology | 3 |  |
| PSY | 322 | Adulthood \& Old Age | 3 |  |

- Students may choose to use support courses to satisfy general education categories, but may not be required to do so. Note: If a course is used to satisfy two or more requirements (for example, a support course and Scientific Reasoning requirement), the credits are counted in only one place. Using a course to satisfy more than one requirement does not reduce the credit total required for graduation.

Courses used to satisfy the general education requirements of the university must be taken from a minimum of six different academic disciplines. First Year Seminar and Level I Written Communications courses are exempt from this restriction. Courses may not be used to fulfill both major discipline and general education requirements.
\# These Scientific Reasoning General Education Category courses do not have to be a sequence or be from the same discipline.
$\ddagger \quad$ Level II and Level III Written Communications Courses may be used to satisfy requirements anywhere else in a student's program of study where they may apply. The credits are counted only in one area.

- COMPETENCIES - TO BE COMPLETED WITHIN THE FIRST 30 CREDITS
- GENERAL EDUCATION CATEGORIES - TO BE COMPLETED WITHIN THE FIRST 30 CREDITS

Exceptions in the timing of courses will be made for transfer students

$\ddagger$ Students must have a prior Bachelor’s Degree from an accredited US college or university in order to be admitted into the accelerated degree program. Students who meet this criteria are exempt from the general education requirements at Salem State University.
$\dagger$ To complete this requirement at Salem State a student must take PSY218 and PSY322. A single three credit Development Psychology (Human Growth and Development or Lifespan Psychology) course from another school is acceptable per the Salem State University transfer policy
$\diamond \quad$ Listed courses must have been completed as a Prerequisite to admission to the program.
Most if not all, free elective requirements will be satisfied by using credits from prior Bachelor's Degree. All credits must meet minimum requirements for transferability to Salem State University.
Total credits for graduation: 120
