**PSY			**3**	

Optional Minor (15 - 18 credits total)

			3	
			3	
			3	
			3	
			3	

♥ Students may choose to use support courses to satisfy general education categories, but may not be required to do so. **Note:** If a course is used to satisfy two or more requirements (for example, a support course and Scientific Reasoning requirement), the credits are counted in only one place. Using a course to satisfy more than one requirement does **not** reduce the credit total required for graduation.

♣ Courses used to satisfy the general education requirements of the university must be taken from a minimum of six different academic disciplines. First Year Seminar and Level I Written Communications courses are exempt from this restriction. Courses may not be used to fulfill both major discipline and general education requirements.

♯ These Scientific Reasoning General Education Category courses do not have to be a sequence or be from the same discipline.

‡ Level II and Level III Written Communications Courses may be used to satisfy requirements anywhere else in a student's program of study where they may apply. The credits are counted only in one area.

► Courses are selected from department(s) representing the student's professional focus within community education with the approval of the department chair, program coordinator or advisor.

** Choose one: PSY251 Child Growth, PSY252 Adolescent Psychology, PSY218 Childhood & Adolescence, or PSY322 Adulthood and Old Age. These courses may require PSY 101 as a prerequisite.

♦ COMPETENCIES - TO BE COMPLETED WITHIN THE FIRST 30 CREDITS	♦ GENERAL EDUCATION CATEGORIES - TO BE COMPLETED WITHIN THE FIRST 30 CREDITS

Total credits for graduation: 120

Effective: 9/2017
