PSY	600H	Honors in Psychology		3-6
PSY	601H	Honors Ind. Research in Psych.		3-6
♥ Required Support Courses (16-19 credits total)				
One laboratory course in Biology (4 credits)				
BIO	116H	Honors Biology – Cells		4
BIO	122	World of Cells		4
BIO	124	Human and Social Biology		4
BIO	200	Anatomy and Physiology I		4
Other support courses (12-15 credits)				
BIO		Biology Elective		3-4
◇ MAT		Mathematics Elective		3
¶		Science/Math Elective		3-4
¶		Science/Math Elective		3-4

- ♥ Students may choose to use support courses to satisfy general education categories, but may not be required to do so. **Note:** If a course is used to satisfy two or more requirements (for example, a support course and Scientific Reasoning requirement), the credits are counted in only one place. Using a course to satisfy more than one requirement does not reduce the credit total required for graduation.
- ◆ Courses used to satisfy the general education requirements of the university must be taken from a minimum of six different academic disciplines. First Year Seminar and Level I Written Communications courses are exempt from this restriction. Courses may not be used to fulfill both major discipline and general education requirements.
- # These Scientific Reasoning General Education Category courses do not have to be a sequence or be from the same discipline.
- ‡ Level II and Level III Written Communications Courses may be used to satisfy requirements anywhere else in a student's program of study where they may apply. The credits are counted only in one area.
- † Because of the overlap in content, students who receive credit for PSY 218 will not receive credit for PSY 251 or PSY 252, students who receive credit for PSY 251 or PSY 252, will not receive credit for PSY 218.
- ¶ Any BIO, CHE, CSC, GLS, MAT, or PHS course.
- ◇ Any MAT course, we recommend MAT 120, 128, or 147.

◆ COMPETENCIES - TO BE COMPLETED WITHIN THE FIRST 30 CREDITS ◆ GENERAL EDUCATION CATEGORIES - TO BE COMPLETED WITHIN THE FIRST 30 CREDITS

Exceptions in the timing of courses will be made for transfer students

Total credits for graduation: 120

Effective: 9/2017
