MIS	305	MIS Special Topics	3	
MIS	320	Electronic Commerce	3	
†MIS	485	Internship in MIS	3	
MIS	350	System Modeling and Simulation	3	
ODS	300	Principles of Quality Management	3	
ODS	320	Managerial Decisions and Risk	3	
ODS	340	Intro to Business Intelligence	3	
ODS	370	Data Mining	3	
ODS	375	Business Systems Optimization	3	
ODS	380	Simulation and Risk Analysis	3	
ODS	467	Forecasting and Predictive Analytics	3	

♥ Students may choose to use support courses to satisfy general education categories, but may not be required to do so. **Note:** If a course is used to satisfy two or more requirements (for example, a support course and Scientific Reasoning requirement), the credits are counted in only one place. Using a course to satisfy more than one requirement does **not** reduce the credit total required for graduation.

♣ Courses used to satisfy the general education requirements of the university must be taken from a minimum of six different academic disciplines. First Year Seminar and Level I Written Communications courses are exempt from this restriction. Courses may not be used to fulfill both major discipline and general education requirements.

♯ These Scientific Reasoning General Education Category courses do not have to be a sequence or be from the same discipline.

‡ Level II and Level III Written Communications Courses may be used to satisfy requirements anywhere else in a student's program of study where they may apply. The credits are counted only in one area.

+ No more than 55 credits, including free electives and/or minor, may be taken in the School of Business.

† Students wishing to register for MIS 485 must obtain permission of Department Chairperson in terms of course requirements and amount of credit hours to be granted.

♦ COMPETENCIES - TO BE COMPLETED WITHIN THE FIRST 30 CREDITS	♦ GENERAL EDUCATION CATEGORIES - TO BE COMPLETED WITHIN THE FIRST 30 CREDITS

Exceptions in the timing of courses will be made for transfer students

Total credits for graduation: 120

Effective: 9/2017
