♥ Students may choose to use support courses to satisfy general education categories, but may not be required to do so. **Note:** If a course is used to satisfy two or more requirements (for example, a support course and Scientific Reasoning requirement), the credits are counted in only one place. Using a course to satisfy more than one requirement does **not** reduce the credit total required for graduation.

- ♣ Courses used to satisfy the general education requirements of the university must be taken from a minimum of six different academic disciplines. First Year Seminar and Level I Written Communications courses are exempt from this restriction. Courses may not be used to fulfill both major discipline and general education requirements.
- # These Scientific Reasoning General Education Category courses do not have to be a sequence or be from the same discipline.
- ‡ Level II, Level III Written Communications and Diversity, Power Dynamics and Social Justice Courses may be used to satisfy requirements anywhere else in a student's program of study where they may apply. The credits are counted only in one area.
- † Required for program continuation and to enter SWK 305: a 2.7 average in SWK 101, 102, 200 (or 510), 261 and 270.
- ‡ A minimum grade of B- in SWK 305 is required in order to enter SWK 401/404/406.
- * Recommended courses PSY 212 or 215.
- % In place of one social work elective, it is possible to substitute certain department approved courses. Approved courses will appear in the departmental section of the university catalog.
- ♦ Must be taken concurrently with field and field seminar.
- ♫ Recommended course ECO 200.
- ▶ Recommended courses BIO 121 or 122 or 124.
- ♣ These two courses will satisfy the Written Communications Levels II (SWK361) and III (SWK401) requirements.
