	NUR	424	Professional Role Seminar	1					
	NUR	425	Professional Role Concepts	3					
NUK	NOK	425	and Competencies	3					
▼ Required Support Courses (29 credits total)									
Ī	BIO	105	Biological Systems	4					
Ī	BIO	200	Anatomy & Physiology I	4					
j	BIO	201	Anatomy & Physiology II	4					
	BIO	304	Microbiology and its Applications	4					
ŀ		+ -	General Organic & Biological	-	\vdash				
	CHE	117	Chemistry	4					
	MAT	147	Statistics I	3					

▼ Students may choose to use support courses to satisfy general education categories, but may not be required to do so. **Note:** If a course is used to satisfy two or more requirements (for example, a support course and Scientific Reasoning requirement), the credits are counted in only one place. Using a course to satisfy more than one requirement does **not** reduce the credit total required for graduation.

General Psychology

Adulthood & Old Age

3

Courses used to satisfy the general education requirements of the university must be taken from a minimum of six different academic disciplines. First Year Seminar and Level I Written Communications courses are exempt from this restriction. Courses may not be used to fulfill both major discipline and general education requirements.

These Scientific Reasoning General Education Category courses do not have to be a sequence or be from the same discipline.

Level II, Level III Written Communications and Diversity, Power Dynamics and Social Justice Courses may be used to satisfy requirements anywhere else in a student's program of study where they may apply. The credits are counted only in one area.

♦ COMPETENCIES - TO BE COMPLETED WITHIN THE FIRST 30 CREDITS

♦ GENERAL EDUCATION CATEGORIES - TO BE COMPLETED WITHIN THE FIRST 30 CREDITS
