• Students may choose to use support courses to satisfy general education categories but may not be required to do so. Note: If a course is used to satisfy two or more requirements (for example, a support course and Scientific Reasoning requirement), the credits are counted in only one place. Using a course to satisfy more than one requirement does not reduce the credit total required for graduation.

- Courses used to satisfy the general education requirements of the university must be taken from a minimum of six different academic disciplines. First Year Seminar and Level I Written Communications courses are exempt from this restriction. Courses may not be used to fulfill both major discipline and general education requirements.
- <sup>#</sup> These Scientific Reasoning General Education Category courses do not have to be a sequence or be from the same discipline.
- Level II, Level III, Written Communications and Diversity, Power Dynamics and Social Justice Courses may be used to satisfy requirements anywhere else in a student's program of study where they may apply. The credits are counted only in one are
- Programmatic Assessments are required for all students pursuing educational licensure in a specified sequence. Results will be factored into gateway reviews for progression that occurs each term beginning Spring term of the Junior year.
- † Practicum Seminars in areas other than ECE may carry more than 1.5.
- Courses with asterisk carry both graduate and undergraduate credit.

COMPETENCIES - TO BE COMPLETED WITHIN THE FIRST 30 CREDITS
 GENERAL EDUCATION CATEGORIES - TO BE COMPLETED WITHIN THE FIRST 30 CREDITS

 Exceptions in the timing of courses may be made for transfer students.

Total credits for graduation: 120-135

The additional credits listed above are required for graduate degree.
